We are also committed to providing up-to-date information and educational tools so you may fully participate in maintaining optimum oral health. Our financial policy is intended to facilitate excellent service while minimizing our administrative costs.

All charges incurred are your responsibility regardless of your insurance coverage. As your dental care provider, our relationship is with you, our patient, not with your insurance company. Your insurance policy is a contract between you, your employer, and the insurance company.

As a courtesy, we will process your dental claims with your primary insurance provider. In order for our office to file your insurance claim, you must provide complete and accurate dental insurance information. Any changes in dental insurance must be provided in order to process your claims.

Although benefits may be verified at the time of service, it is not a guarantee that your insurance company will cover our services. Please understand that financial responsibility for dental services rests between you and your dental plan. While we are pleased to be of service by filing your dental insurance for you, we are not responsible for any limitations in your plan coverage. If your plan denies payment for any reason or has not paid your claim within 60 days, you will be responsible for payment.

Our office accepts cash, checks, all major credit cards and Care Credit.

There is $25.00 fee for all returned checks.

Appointments missed without a 24-hour cancellation notice may incur a $25.00 fee. This fee must be paid in order to schedule any future appointments.

If you have any questions regarding our financial policy, please ask. We are committed to providing you with a positive experience in our office.
